RE: State v. Mazar Nathaniel Sturdivant – Appellate Case No. 2022-01075

Dear Ms. Kitchings:

Earlier today, this Court sent a letter to the parties in the above-referenced criminal appeal requesting a copy of State's Exhibit # 7, which is a surveillance recording admitted during trial, for the Court's review absent objection from the State. Please be advised both the State and the appellant designated State's Exhibit # 7 for inclusion in the Record on Appeal, but it appears a request for a transportation order for that exhibit was mistakenly not submitted to this Court. Accordingly, the State has no objections whatsoever to this Court reviewing State's Exhibit # 7, and the undersigned counsel has included what he believes is a true and accurate copy of that exhibit with this letter. Furthermore, please be advised the State will promptly transport the original exhibit to this Court in the event a formal transportation order is issued. Thank you very much, and, if you have any questions or concerns or need any further information, please do not hesitate to contact me.

Sincerely,

Mark R. Farthing
