Re: The State v. Mazar N. Sturdivant  
Appellate Case No. 2022-001075

Dear Ms. Kitchings:

On April 3, 2026, this Court issued a letter to undersigned counsel noting that pages ii-iii (i.e., table of contents and table of authorities) of Appellant's Final Brief were missing from the Final Brief of Appellant provided to the Court and that the pages will need to be provided to the Court for review. These pages were included in Appellant's Initial Brief – i-ii (table of contents) and iii-iv (table of authorities). However, pages ii-iv were inadvertently omitted from the Final Brief of Appellant due to clerical error. Therefore, enclosed is a copy of the Amended Final Brief of Appellant in the above-entitled case, which includes pages ii-iv that were missing from the final brief. Undersigned counsel respectfully requests this Court accept the Amended Final Brief of Appellant accompanying this letter. Counsel will also today provide printed copies of the Amended Final Brief of Appellant to the Court.

Also in its April 3, 2026, letter, this Court requested a copy of State's Exhibit 7 (surveillance video) be provided by counsel for the Court to review within five days of the letter. State's Exhibit 7 was designated by both parties to be included in the Record on Appeal. However, it appears that again due to clerical error, this exhibit was not provided to the Court. Counsel for the State has graciously provided a copy of State's Exhibit 7 to this Court by mail on April 3, 2026. However, please let me know if I may be of any further assistance with this matter. I do appreciate this Court's patience and again, please let me know if I may be of any further assistance with this matter.

Clerk, South Carolina Court of Appeals
