S.C. SUPREME COURT

APPEARING ANNA OKUPINSKI, being duly sworn, states the following:

1. I am the daughter of Duane Evans.
2. I am 46 years old.
3. My father has always been staunchly against medicine for as long as I can remember.
4. Within the last year, my father expressed to me that if something were to happen to him and he were going to die, that he did not want his life extended artificially. That is aligned with his attitude and opinion of medicine my entire life.
5. He has commented that he would prefer to end his own life if he were ever in this situation.
6. He had expressed this desire to not to extend life antically to many family members.
