Motion to Extend Time

The appellants move to extend to May 1 the time for the initial brief in this appeal.

At present, counsel calculates the initial brief and designation being due on April 13. Discovery deadlines in other matters and a family medical development have occupied counsel during the time he expected to have to conclude the brief.

The court's filing fee for this motion has been sent by U.S. mail.

Counsel for the Diocese, Mr. Dukes, has graciously consented to counsel's request for extension. No response to counsel's request has been received from counsel for the other respondents.

Conclusion

An extension of time until Friday, May 1 should enable counsel to conclude the initial brief and designation, and we request an extension to that date.

Respectfully submitted,

s/ Gregg Meyers
