Re: **Ron Orlosky, in his personal capacity as Personal Representative of the Estate of Debora L. Orlosky, and in his capacity as Trustee of the Debora Laura Orlosky Revocable Trust v. the Law Office of Jay A. Mullinax, LLC, Case No. 2010-CP-07-4146**

Dear Judge Few:

A few months ago the Court of Appeals ordered me to attempt to reconstruct the record in this matter because the audio portion of the court reporter's records could not be located.

Subsequent to my conducting a hearing pursuant to that order, we have been informed the entire audio has been located. Desiree Allen informs me that Court Administration has instructed a replacement court reporter to proceed with producing a complete transcript. I trust this will resolve the problem, and I do not think it will be necessary for the parties to attempt to reconstruct the record according to the procedure I ordered at the hearing in Beaufort. I trust you will be receiving the transcript soon.

If I can be of further service, or you feel something else is necessary to comply with your reconstruction order, please advise.

Very truly yours,

Roger M. Young
