

The South Carolina Court of Appeals

The State, Respondent,

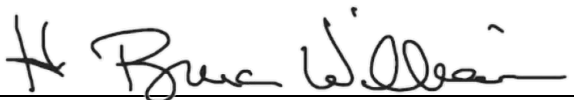

v.

Laqwon Jacobey Coleman, Appellant.

Appellate Case No. 2025-002249

ORDER

After careful consideration of the Appellant's "petition to file amended notice of appeal," which we construe as a petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
