Appellate Case No. 2025-000150

ORDER

On March 5, 2026, Respondent-Appellant filed a motion seeking for this court to take judicial notice of criminal indictments for voyeurism, sentencing sheets, and a transcript of Appellant-Respondent's guilty plea hearing. Appellant-Respondent did not file a return. After careful consideration, we grant the motion to take judicial notice and order Respondent/Appellants to serve and file a supplemental record on appeal that contains Exhibits A, B, and C as designated in the motion to

take judicial notice. However, this order merely allows the court to review the exhibits during its consideration of the appeal; any impact this ruling may have on the appeal will be considered in conjunction with the court's further consideration of the appeal.
