Appellants hereby move pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file Appellants' Initial Brief and Designation of Matter to be Included in the Record on Appeal in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. This is the second extension that Appellants have sought in this appeal.
2. The present deadline for service and filing of Appellants' Initial Brief and Designation of Matter to be Included in the Record on Appeal was set by the Court at December 13, 2013.
3. This appeal is already further along than most appeals would be at its age, because Appellants' counsel already had a copy of the transcript of the proceedings below when the notice of appeal was served.
4. Appellants' undersigned counsel's litigation practice has been busy, and he has not had time to draft Appellants' brief.
5. Appellants' counsel believes there is good cause to grant the requested 30-day extension to January 13, 2014 (as January 12 is a Sunday).

WHEREFORE Appellants pray for an Order extending the time in which to serve and file Appellants' Initial Brief and Designation of Matter to be Included in the Record on Appeal for an additional thirty days.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Andrew S. Radeker', written over a horizontal line.
