RE: State v. Nathan Miles Ginter – Appellate Case No. 2024-001830

Dear Ms. Kitchings:

On April 2, 2026, Appellant Nathan Miles Ginter filed a motion in the above-referenced case seeking a remand to the trial court for reconstruction of missing portions of the trial record. As support for that request, Appellant maintains a portion of the trial has not been transcribed due to missing audio and there are numerous instances in which “inaudible” was noted in the available trial transcript. Please be advised the State has no objections to Appellant’s request for a remand for reconstruction and agrees such a limited remand would be appropriate under the circumstances involved. Thank you very much, and, if you should have any questions or concerns or if a more formal return is required, please do not hesitate to contact me.

Sincerely,

Mark R. Farthing
