Good Afternoon,

I followed the direction of the court order stating that I must show proof of ordering the transcripts through the Pickens County Magistrate Court.

I was informed by the Clerk of Courts, Michelle Broom at the Pickens County Courthouse, that is where I order the transcripts and not the Pickens County Magistrate courts. I did go to Magistrate Court as directed by Appellate Court to go to Magistrate Court. They did confirm that I needed to go back to Pickens County Courthouse. So I did.

Attached is a copy of the date stamped showing that I was present and did order.

Thank You.

Good afternoon,

I am notifying the Appellate Court and parties involved, of my attempt in acquiring and ordering court transcripts within the 10 days stated. With today being April 3, 2026 "Good Friday", the Pickens County Magistrate and Clerk of Courts are Closed. I did contact the Court of Appeals only to be informed that it also shows these Courts are considered Closed for the Easter Holiday.

Attached are the same documents I was attempting to submit to the Magistrate Court and the Clerk of Courts.

I will be depositing these documents via US Postal Service today and in person on the next business day.

I also did attach photographic evidence as well.

Thank you for your time and considerations.
