RE: State v. Marcus Alexander Wigfall – Appellate Case No. 2023-000236

Dear Ms. Kitchings:

On March 11, 2026, this Court issued a published decision in the above-referenced appeal reversing and remanding for a new trial. However, due to a heavy workload and because I had limited prior involvement in this matter prior to this Court's issuance of its decision, I am requesting a fifteen-day extension to serve and file this document. This is the **second** extension request in regard to the petition, it follows previous extension request of fifteen days, and it is not intended for the purpose of delay.

I appreciate your consideration of this request and ask that the filing deadlines be held in abeyance while this request is pending.

By copy of this letter, I am informing counsel for the Appellant of this extension request.

Sincerely,

Mark R. Farthing
