Dear Ms. Kitchings:

The Record on Appeal in the above-styled case is due to be served on April 29, 2026. Bonner*, Nos. 2009-GS-11-00824-00829 (Feb. 8, 2024). A copy of counsel's correspondence is enclosed with this letter.

Please inform us if any further action is required, and thank you for your attention to this matter.

Good morning Mr. Farthing,

I hope you are doing well. We are intending to file a motion to supplement our designation of matter in Mr. Bonner's case to include Defendant's Exhibits 1 and 2 from the resentencing hearing, which were accidentally omitted from our previously filed designation of matter. Would you consent to this request? I am happy to discuss this matter with you further or answer any questions you may have.

Additionally, I was wondering if you have digital copies of States 2 and 3 which the State included on its designation of matter. If so, would you be willing to share the digital copies with us to facilitate the compiling of the record on appeal?

Thank you for your consideration of this request.

Kindly,
Rosalind

Ms. Major,

I have no objections at all to the inclusion of Defendant's Exhibits # 1 and # 2 from the February 2024 hearing in the Record on Appeal, and please feel free to note the State's position in your motion to supplement.

In addition to that, I'm attaching a digital copy of State's Exhibit # 3 to this message. However, with State's Exhibit # 2, that exhibit is going to need to be transported to the Court of Appeals because it includes a number of audio and video files. Just in case it will help, I'm including a copy of a proposed transportation order I put together in an earlier appeal as a potential template for that.

Hope that helps, and please just let me know if you have any questions or need anything else on my end.

Sincerely,
Mark
