Hi,  
I see where you gave the requester until 12/25/25 before you close the request. If she calls again, I will let her know to submit a new request. If she submits a new request, you can transfer it if you wish not to deal with this.

Thanks

Hi Cordelia,

I wanted to reach out to you privately. I can't find an email that I should have sent you cancelling this request. I believe that may have been because I was in the hospital. The last email I sent her was on January 12, 2026.

I did produce the Court's Ruling excerpt that I believe the Court, the clerk, or attorney ordered. I didn't charge for that. I think it was 3 pages.

Then Ms. Green wanted the entire hearing and never paid me. I believe I called her and that's when she said she couldn't afford it, but honestly, I don't recall because that was when I was in the hospital.

I apologize that my injury got in the way of this. Do you want me to now send that email cancelling out of an abundance of caution?

Thank you in advance, and I hope you enjoy your day,
