Below is message that you found the sentencing which was the very last thing in the transcript and that would have been 7-21-2025. Did that change?

LOL! I have someone that checks them for me. He is new at this and trying to help since I am so behind...so I probably should have checked behind him before I emailed.

I asked Karen about the sentencing and she said that it is in the transcript you have. She read it to me where it said 30 years. Please check. I told her you'd been sick and it took me weeks before my mind was clear. I even mentioned it to the doctor that I couldn't remember how to send an email for a couple of days and he said I needed to recover from the high temps I had.

If you don't see it when you look again, please let me know.
