Appeals Court Delay...

SC Court of Appeals

To whom it may concern, My name is Tanya Murphy. Ms. Murphy has a case in York County Common Pleas that I am alleging the courts are refusing to give information to move forward with my case. The case says denied Motion to Alter or Amend, the Alter or Amend was already denied, I filed for a Rehearing based on the proceeding was Not recorded. The courts has the documents for a petition from the transcriptionist. The appeals court may also be in cahoots with the lower courts, I am alleging Judge McHinnon is corrupt and may have knowledge of a case filed with the appeals courts that says No Records Found that I am attaching as evidence, Case 2021-000102 and 2021-000751 which Judge McHinnon was assigned as the Judge whom heard this case retired.

which makes the appellant question why my case will not be heard. The lower courts will not give honest answers as to whether the case is ended or the Petition pending. The answer is I may need to seek legal advice which I NEVER WILL!!! Because once I tell my side of the story with supporting documentation will shed light on how the case was corrupted. Now, as I am emailing the courts so I miss No deadlines, my emails are compromised and the emails may not be received by the lower courts.

The old cases are in question because Judge McKinnon was assigned after this retired Judge. Please explain why the appeals court has not moved forward. The documentation has been sent that there is No Records.

Thank you
I Arny Murphy

Mrs. Wiley, I have contacted Mrs. Foster, Mrs. Strait and I was told Mrs. Strait supervisor asking about a form 4 court order. The Clerk's continues to tell me they are not Attorney's when I ask about my petition and why does the form say "does not end case" when they're stating it is ended. Mrs. Foster is offended stating, I'm yelling at her, because she can't answer simple questions that she should know to give the public clear information as to what does the statement mean is absurd... Will you please have a competent clerk or someone who can answer very simple questions that are NOT asking for legal advice... I'm simply asking is the petition Not a Motion in effect being that the case is not ended... Please and Thank

My emails will not go through to the lower courts.
