# Retaliation Against Courts

4/15/2026

**RECEIVED**

Apr 15 2026

SC Court of Appeals

Please Add Everything the Victim  
Did To Miss. Murphy Damages

To whom it may concern,

My name is Janya Murphy. Ms. Murphy has a pending appeal with the appeals court in which I have called (voice recordings) and will not get a returned call back. Ms. Murphy has sent the court documents on Ct app filings and documents are received but not uploaded to the case assigned 2026-000315. Ms. Murphy will like to report retaliation to the victim of cases 2021-000102 which says Artamius Rice v. Chester County School District with the lower court case 2019 CP 1200079 that is Janya Murphy as the legal guardian of A.R. V. Everyone. The case was dismissed because the case was changed to Artamius Rice v. School District but does not reflect such case. → over

this case had Tanya Murphy has alleged damages. The case was dismissed without Tanya Murphy's alleged damages, therefore I would like ALL RETALIATION against the victim to be added to Mr. Murphy alleged damages because the courts claim the victim settled his case with multiple disabilities. All cases submitted on today are cases that were dismissed by Abuse Of Power by the courts the same as the appeals case that is pending in court today. Mr. Murphy is asking for Jail Time and 10X damages for continued Abuse of Power.

Psalm 110: 1-4 "The Lord said to my Lord, Sit thou at my right hand, until I make thine enemies thy footstool". Therefore I hope the delay is my enemies getting in good shape, because I need your BACK & NECKS READY 😊 IN JESUS NAME
