Ms. Kitchings — we are in receipt of a letter from your office, dated April 13, 2026, regarding the Notice of Substitution of Counsel that we filed on April 9, 2026. In response to that letter, please find attached a Proof of Service showing that the Notice has been formally served on our clients (in addition to our informally sharing with them at the time of filing). In addition, a Firm check in the amount of \$50 will be hand delivered to the court tomorrow for the filing fee associated with the Notice.

Respectfully,

Miles Coleman
