Ok thanks. With me, I'm trying to figure out what to do in the circumstance. I'm not very experienced in it so I don't really know how to handle this.

AllRight this is what I Need. I didn't file this appeal. I can't give a proof of service. I'd like a return call for some further direction. I'd like to speak to someone directly please until I get that. I'm not doing anything and I need some direct answers. I understand you have a difficult job and you can always give direct answers. I respect that but that's what I need please
