Re: Mary L. Dinkins Academy v. South Carolina Public Charter School District  
Appellate Case Number: 2013-000525

**Supplement to letter of November 25, 2013 requesting extension of time to file Initial  
Reply Brief and Designation of matters to be included in the Record on Appeal**

Dear Ms. Kitchings:

I hope this letter finds you in good health and spirits. I write on behalf of my client, the Mary L. Dinkins Higher Learning Academy, to respectfully request an additional fifteen (15) days extension of time to file Appellant's initial reply brief and designated material to be included in the record on appeal in the above referenced case.

While waiting for your response to my initial request for an extension of time additional misfortune has befallen my family. Two days ago, on Sunday December 8, 2013 one of my brothers was found dead in his home in New York City. He was in his fifties but there does not appear to be any foul play. However, I will need to go to New York to attend his funeral and take care of other matters related to his death.

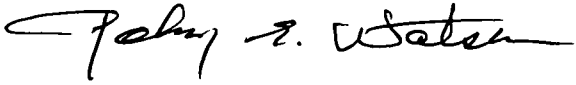

Thank you for your kind consideration in this matter. I look forward to hearing from you soon.

If you have any questions and/or comments I can always be reached by cell phone at 1-803-467-6212 or at my office.

With kind regards, I am

Very truly yours,

JOHNNY E. WATSON, ATTORNEY AT LAW
