Re: Tony Williams v. Lowe's Home Centers, LLC
Appellate Case No. 2026-000079

Dear Counsel:

We have received your motion for costs filed on April 16, 2026; however, pursuant to Rule 222(d), SCACR, a motion for costs should be served and filed within fifteen days after issuance of the remittitur. Because this case has not yet been remitted, the motion for costs is premature and will not be acted on. You may re-file it at the appropriate time. Furthermore, we decline to take action on Appellant's return to the motion filed on April 17, 2026.

Very truly yours,

A handwritten signature in blue ink that reads "Jenny A. Kitchings".
