NOTES/COMMENTS:

Enclosed is a copy of one of many letters received from Mr. William L. Cokley. I cannot represent Mr. Cokley because of clear conflicts of interest. I have also received correspondence from Mr. Cokley that include veiled threats. Mr. Cokley needs an extension of his ten days deadline and new counsel. Please provide the proper format or a Motion To Be Relieved and Request for Extension immediately. I submit that I consider this to be an emergency. Thank you.

Dear Kevin,

8-20-13

I call you Kevin, because your sorry ass does not deserve the title Attorney. You a low budget piece of shit! I want you to know that I go to sleep every night thinking about what you've done to my family and I wake up thinking about it. I cannot express the hatred that I have for you! Over the past few months we have been reviewing my case and all we keep finding is deliberate errors on your part! This case is going to P. C. R., where I plan to expose your sorry ass for what you really are, a stupid low budget crumb-chaser! You lied and told me that "No Contest" was not the same as "Guilty". A jury did not convict me, I am innocent, but I had very poor legal representation! You fucked up big time! I will never forget what you have done to my family. Just the thought of your name makes my blood pressure rise. You and I are real enemies. You have declared war. You may think that you have won a few battles, but you will never win the war. Cokley vs Kearse is what I live for. I have much patience and I am confident that in the end, I will win. The last Man standing! Only God can change the way that I feel about you. May you rot in Hell for what you have done. So please never ever think that it's over. Your stupid ass started this war, I will end it. A Malpractice suit will be filed shortly. You are nobody! The time has come for you to leave the low country and return to Columbia. You are a sorry lawyer,
