Good morning,

On Friday, we filed the attached Notice of Appeal and hand-delivered a check in the amount of \$250.00 (Check No.: 2630) to the Court for the filing fee.

It has come to my attention that there is a check and balances procedure for all checks written from our office. We are a small firm and there are certain procedures in place to help deter fraud. There is a possibility that the check we sent you may get rejected as our firm administrator is out of the country and the check was not submitted through the correct procedure.

In the event the check is rejected, please contact me immediately and we will get the matter taken care of expeditiously.
