RE: *Delores Holloway v. The South Carolina Ports Authority, et al.*
Appellate Case No.: 2026-000074
Civil Action No.: 2025-CP-22-00085
Burr File No.: 0051302.0000008

Dear Madam Clerk,

Please be advised that we received the transcript requested in the above-referenced matter from the court reporter on February 6, 2026. However, Appellant's receipt of the transcript occurred during the pendency of the Court's order holding these proceedings in abeyance until and unless the Court issued an order as to appealability. *See Court's Correspondence Jan. 14, 2026.* With that said, the thirty (30) day deadline for the filing of Appellant's Initial Brief and Designation of Matter began to run on Tuesday, April 14, 2026, which was the date the Court issued its order on appealability. *See Court's Order Dated April 14, 2026; see also Rule 208(a)(1), SCACR.*

Accordingly, by our calculation and under Rule 208(a)(1) Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal are currently due on or before Thursday, May 14, 2026.

All counsel of record have been provided a copy of this letter by email.
