## ORDER

---

To the extent Appellant is requesting this court take judicial notice of the facts contained in Appellant's March 6, 2026 motion, the motion is denied. *See Masters v. Rodgers Dev. Grp.*, 283 S.C. 251, 256, 321 S.E.2d 194, 197 (Ct. App. 1984) ("Appellate courts are generally reluctant to notice adjudicative facts even when those facts may be absolutely reliable.").
