**Subject:** State v. Jimmie L. Green - 11/13/2025

I have attached a request for an extension. I thought I had done this job because the request to me was for 11/12/25. This job was actually taken on 11/13/25. I was assigned PCRs that week. I ended up being sick on Thursday and Abigail Kiker was the reporter that day. When we realized it, I spoke with Della White and confirmed the date. I also told her that it was the wrong date on my transcript request. So I asked Abby about the job and told her I would be happy to complete it for her. I would have to file an extension but I would do that and complete it. She was happy for me to complete this job because

of her backlog of work.

Thank you.
