Case # 2026-000785

RECEIVED

APR 28 2026

SC Court of Appeals

Dear Judge,

My name is Jasmin DeBose. I am 35 yrs old mother of 5. I have a GED and some college experience. I am currently looking for a job but it's hard to get a decent job because of my prior record which is a CDV but was supposed to be a lesser charge due to a plea deal. I am writing you because I have been falsely accused of a crime I did not commit which is ~~an~~ an

Assault and Battery
of a mob. Its not true
and can be proven
by video footage
from the area I
am being accuse of
which is the mailbox.
I am being accuse
of jumping Mrs Laedson
by the mailboxes in
St Day Apartments
and also being accused
of cause harm and bruises
the ~~mob~~ accuser. Which
that day the victim
in my case ran both
me and my boyfriend
over by vehicle and
thats what caused the
bruising. The victim is
accusing me and my

friend Imoni Govan
of jumping but it's not
true and I believe she
is making this up because
I am dating the person
she actually did fight
brother who name is
Charles Govan and because
she was so upset that
when she saw my friend
brother walking down
the street she decided
to hit him. I am not
guilty of this crime. However
I took a plea for this
case because my lawyer
told me that you was
sick of this case and
that I would get a year
so I reacted without

second guessing for
my children in fear
of being without them.
But honestly it too
much responsibility, both
physical and financially
for something I did not
do. So I am asking
you would look further
into my case and accept
my appeal because I
am not guilty. And it
so hard having these
things on my background.
I'm so scared of the
system failing me
but I was always taught
right is right and
what is wrong is wrong.

Thanks
Dante B. B. B.
