RE: Amazon Services, LLC v. South Carolina Department of Revenue
Appellate Case No. 2024-000625
NMRS File No. 054685/09000

Dear Ms. Howard:

Appellant Amazon Services, LLC (“Appellant”) respectfully requests a two-day extension of time to file its Reply in Support of its Petition for Rehearing (“Appellant’s Reply”) in this matter. Respondent’s Return to the Petition for Rehearing was filed on April 30, 2026, and thus, by our calculations, Appellant’s Reply is currently due May 7, 2026. With a two-day extension, Appellant’s Reply would be due on May 11, 2026.

Appellant requests this extension because its two primary counsel have other professional and personal commitments before the current deadline, including for one, meetings out-of-state on May 3 and 4 as well as assisting in a trial starting on May 4 that is expected to last until May 8, and for the other, expert reports due in another matter on May 1, an all-day legal conference on May 4 where counsel is speaking and will be receiving an award, and a hearing in another matter on May 7. No party will be prejudiced by the extension requested herein, and we respectfully ask that you hold the current deadline in abeyance pending a ruling on this request.

We have also enclosed a proof of service, and our check in the amount of \$50.00 is being hand delivered to the Court. We thank the Court in advance for its consideration of this extension request.

With kind regards,

Bryson M. Geer
