Due to unethical practices, corruption, and failure of submission of my appeals at Richland county court of common plea from obstructions in Columbia municipality court making preventive measures, my appeals were not completed with failure to notify me of no reply from, to disleverage me in unfair court trial practice, working in conjunction to each other and people, for the purpose of covering up their withholding information, that violated my rights by falsification in my absence, using strategical tactics to avoid, for giving me a false conviction with punishment, for made up charges against me, that victimized me for their own injustices, not mine. I wish to appeal case numbers that provided me with a void misconduct judgment with lack of verdict in favor of an improper disposition, ruling and reputation to me. My plea was "not guilty" and my attorney entered in a "guilty" plea in a total mistrial. Ofcourse, they would make obstacles, and postpone obstructions in order to prevent justification of my cases after the fact to attempt to get to point of denying and rejecting my claim with non equitable toll such as making statute of limitations lies up to continue their scandals. Yet, that false reputation and misrepresentation hearing from me through their pre determined outcome regardless of, is still in place without a statuatory or a statute only restricting and limitations for me for obvious reasons that they punishes me for being a victim. I wish to appeal these court case docket numbers again to arrange for and schedule a court trial to be heard from a superior court.

Case numbers:
20240610553754
20240610553758
20240610562563

Sincerely in being slandered,
Jason Fetzer
