To the Richland County Clerk of Courts,

I am writing to formally request an appeal of the judgments associated with the following case numbers:

- 20240610553754
- 20240610553758
- 20240610562563

I am seeking a review by a superior court due to several procedural irregularities and a lack of due process in the previous proceedings. Specifically, I contend that my appeals were obstructed by the municipal court, I was not properly notified of case statuses, and my attorney entered a "guilty" plea against my express instructions to plead "not guilty."

I believe these actions resulted in a mistrial and wrongful convictions. I am requesting that these cases be scheduled for a new trial to ensure a fair hearing and an equitable outcome.

Please advise on the next steps required to formalize this appeal and schedule a court date.

Sincerely,

Jason Fetzer
