I am writing to formally address a recent judgment obtained against me, Duane Gray, and to respectfully assert my right to a fair and impartial defense.

It is my understanding that Bush River OM LLC previously initiated a claim in Magistrate Court in 2024, which was subsequently dismissed. Following this dismissal, the aforementioned entity retained legal representation, which then successfully obtained a judgment. Crucially, this judgment was rendered against the defunct entity, Duane C Gray's Restaurant and Real Estate, LLC.

It appears the claim was thereafter re-submitted with the explicit intent to directly implicate me, Duane Gray, in a personal capacity. I only became aware of this judgment in April of the current year.

My basis for appealing this decision stems from the fundamental principle that I have not, by law, been afforded the opportunity to present a defense against these claims in a personal capacity. The absence of due process in this regard necessitates this appeal.

I am prepared to present a comprehensive defense of my position before the appropriate legal forum.

I can be reached directly at (803)743-2585 or via email at duanegrays15@yahoo.com for any further discussion or clarification required.
