2009-CP-27-00331

Dear Mr. Belton:

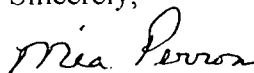

Per your request for the above-captioned transcript, I have reviewed my records and estimate that your transcript will be approximately 65 pages. Based on the current rate of \$3.25 per page, the estimated cost of the transcript will be \$211.25.

Under our rules, I have 60 days to complete the transcript. Upon receipt of your check in the amount of \$211.25, the 60 days begin. If I have underestimated the number of pages, you will be notified of the balance due prior to delivery of the transcript. If I have overestimated the number of pages, you will be refunded the overpayment.

Please enclose a case caption so that all parties can be adequately reflected.

In the event I need an extension of time to complete the transcript, I will request an extension from Court Administration. You will be notified if the extension is granted.

Sincerely,

Mia Perron, CVR-CM-M
