Re: The State v Keyshon A Poinsette, Jr
Appellate Case No. 2025-002592

Notice of Delay and Request for Extension

To the Honorable Court:

I respectfully submit this notice regarding the status of the transcript ordered in the above-referenced matter.

Pursuant to this Court's order, I was directed to ensure that the trial transcript be filed within thirty (30) days. In compliance with that order, I promptly contacted the court reporter assigned in the lower court to request preparation of the transcript. However, I was informed by the court reporter that, due to an existing workload, she is unable to complete the transcript within the time frame set by this Court.

Despite this delay, I have taken all necessary steps within my control to move the process forward. Specifically, I have made the required deposit for the preparation of the transcript, and the court reporter has acknowledged receipt and indicated that work will proceed as soon as practicable.

This delay is not attributable to any lack of diligence on my part, but rather to circumstances beyond my control. Accordingly, I respectfully request that this Court grant an extension of time for the filing of the transcript and refrain from dismissing the appeal on this basis.

I will continue to monitor the status of the transcript and provide updates to the Court as necessary.

Thank you for your time and consideration.

Respectfully submitted,

SI *Rajesh Kumar*
