Motion to Serve Designation of Matter Out of Time

Respondents timely filed their initial briefs on April 20, 2026. However, Respondent inadvertently failed to upload both his Designation of Matter to be Included in the Record on Appeal and his proof of service. Respondents consent to any extensions of time needed by any appellant needed to account for this error. Respondent respectfully requests that the Court allow the service out of time. A check for the motion fee will be mailed to the Court.
