Good afternoon, Jeff,

I corrected it on my monthly report. It turns out that both case numbers are correct. This defendant has nine different charges.

Hey Eve,

I hope you are well. You listed the case number on your monthly report as 2025GS1001099 but listed it as 2025GS1001092 on your extension request. Please correct this on either your report or extension request and let me know when it is completed.
