Motion to Grant Restraining Order

I am requesting a restraining order because Mr. Quentin Dimitri Dixon has not respond to any of the Proof of Service certified correspondence sent to him. I have spent money sending to him certified mail from the court filing and Mr. Dixon has failed to respond to my opposing motion for a restraining order. It is my opinion that Mr. Dixon is turning his nose up and a deaf ear to me and the court. That this is not important to him and he does not plan to give his attention to this court of appeals. I have spent money on gasoline travelling to Florence and Horry counties to talk with several attorneys about this brief and I cannot find an attorney to help me because they stated there has not been any response from Mr. Dixon. I was told that I need to file this motion for a restraining order and that the court has all of the records from the Florence County Courts and the court of appeals have all of the transcript. The fact is Mr. Dixon is still making comments about me and is refusing to sign and receive all documents. I am still under the care of Dr. Curas with the VA in Florence and I have an appointment with him on June 15, 2026 for PSTD anxiety and depression because of Mr. Dixon's action. I am afraid to go to church in Timmonsville where I was invited to attend. I am a minister and I am afraid to attend evening and/or night services because I don't know what Mr. Dixon action might be. As long as a restraining order has not been served against Mr. Dixon he can harass, stalk and confront me at any time because of no restraining order.
