Good Morning Shelby,

Please Stamp the attached.

According to the Newberry Special Referee (Samuel Price Jr) staff, the office only provides a court reporter for criminal and family cases. Case# 2025-CP-36-238 was neither a Criminal or Family case.

The request for the transcript was requested the same day of the hearing. Lake & Lake Attorney's provided the following attached "Record of hearing".

Respectfully, we would like the court to advise if the attached is acceptable for a transcript.

Thank you.

Best regards
