SC Court of Appeals

To Whom it may concern,
I Patricia Green am writing
this letter, to make aware
of the wrong doing of the
purchase of land I own, along
with other members of my family.
Myself and family were un-aware
of the purchase of the land,
Due to the fact that documents
was being sent to my sister
Mrs. Roselee, Frasier, who
has been deceased for quite
sometime. There was no way
of me and family to know this,
because the documents were being
sent to my deceased sister P.O. Box
I was fighting my battle
with cancer in the hospital
as well. I was made to pay
\$1400 dollars for the land I own.
I am asking the Court for help,
in the hopes of keeping the land
that my father and mother, Mr.
Willy Wells & Mrs. Lillian Wells
heird to me.

Also I would like to inform
that money, that my father
Mr. Willy, Wells had for
the land at 106 Curly Lane.
in his name, was used by
Berkeley County Tax office, to pay
the Land tax. The money
was beired to me and family.

Sincerely, yours,
Ms. Patricia Green
