RE: Tony Williams v. Lowe's Home Centers, LLC; Andrew Melling

Court of Appeal Case: 2026-000079

Lower Court Case No.: 2025CP0701666 (Beaufort County)

To the Clerk of Court:

Enclosed for filing please find the original and six (6) copies of the **Appellant's Petition for Writ of Certiorari**, along with the corresponding Certificate of Service.

This Petition seeks review of the Court of Appeals' dismissal (Rehearing denied Apr 08, 2026) regarding several structural errors, including the requirement of a transcript from a non-reported hearing and jurisdictional defects under Rule 58, SCRCP. This filing also addresses a significant jurisdictional breach occurring on May 5, 2026, wherein the lower court proceeded without a Remittitur, violating the stay mandated by Rule 221(b), SCACR.

Also enclosed is a Self-Addressed Stamped Envelope (SASE). Please return a file-stamped copy of the Petition to me for my records. Thank you for your assistance.

Respectfully submitted,

 5/7/26
/s/ Tony Williams
