RE: Johnny Eades v. Palmetto Cardiovascular
Appellate Case No.: 2013-002177

Dear Ms. Kitchings:

The Appellants respectfully request a thirty (30) day extension of time to file the Appellants' Initial Brief in the above referenced appeal. This request is made on the ground that there are complicated issues involved in the appeal which Appellants' Counsel needs additional time to address.

The transcript was received from the court reporter on November 19, 2013, so the Appellants' Initial Brief is due on December 19, 2013. A thirty day extension would make the Appellants' Initial Brief due on January 18, 2014, which is a Saturday, so the due date would be January 20, 2014.

Counsel for all of the Respondents have consented to this requested extension.

My firm check in the amount of \$25.00 is enclosed for the required fee.

Respectfully submitted,

Gary L. Cartee
