RE: Campbell v Newman
App Case No. 2024-000511

Dear Ms. Kitchings:

On April 6, 2026, the Court issued an order holding this matter in abeyance pending a mediation, and requiring an update on the status within 30 days. The parties resolved this case at that mediation. The Respondent has made payment according to the agreement and Appellant is currently awaiting compliance with the "good funds" rule of Rule 1.15(f), RPC, Rule 407, SCACR. Once we receive notice from the payee bank that the funds are collected funds as defined by Rule 1.15(f) we will complete the disbursement and notify the Court that we wish to withdraw and dismiss this appeal.

Thank you for your attention to this matter. Please let me know if the Court needs any additional information.

With kind regards,

Sincerely,

John S. Nichols
