Appellate Case# 2026-000934

Dear Court of Appeals, Case Manager Kheesia

Thank you for our conversation. I will also be sending this Appeal letter Certified. I need more time and I am trying for timeliness.

Again, I made errors in not writing Ms. Ross information in its proper place on form 7/Proof of service. I did not get chance to contact Attorney Ross about contacting her via email. My phone storage is full.

Any & all money or cost for me to pay, especially has been waived.

Thank you for I am the Victim.

Moreover, someone Anonymous in upper Ownership from my Former Employer reporting my injury that I hurt my hand and finger at work. Not until I told WCC Tehani Lopez that Aaron/Manager assaulting me hurting me by sticking his finger in between my knuckles, hitting a nerve where I yelled out, the computer mouse flying out of my hand and across the front desk where I worked.

Photo of my arm has a date and I am unsure how anyone can miss it. Google is dated as everything else.

I am asking for someone to look at the video that has time and expertise in altering video which is illegal. The video was not extensively viewed.

Moreover, Aaron was asked to explain everything going on so there was distraction and no complete concentration. I asked if I could say something? Commission Dooley said no. I wanted to ask for the video to be stopped where Aaron felt afraid of me.

I did not receive Ms. Ross paperwork before the Hearing and had to quickly and uncomfortably read that Aaron stated that I quit and he was afraid of me. Both of these false statements are in my Personnel records.

I did not fail to file my form 50. I met the timeliness.

Maybe have someone demonstrate how someone pushing their finger into someone knuckles can harm them. This is a tactic that has harmed me and possibly others.

I have a Diagnosis code for Assault and Injury.

I pursued Civil actions because Tehani states WCC does not handle Assaults and I would have to do this on my own.

The initial Attorney for Aaron has all the paper work for this case and wrote a Cease and desist letter to me in this manner. I was told that he had nothing to do with this case which is false because he wrote the letter.

Sincerely,

Willette Wilkins

CC: Attorney Lynnley Ross
