To: SC Court of Appeals, Case Manager Keeashia

Thank you for the extension. It is greatly appreciated.

Moreover, I am asking and requesting that my filing fee be waived. Thank you. My previous request was waived.

I am a Substitute Teacher of 27 years. I am the Victim.. any cost should be waived. I did pay some of my Doctor's bill in order to be in good standing with Doctor's Care. I have the Diagnosis of Assault and Injury to my right hand.

I am looking to be compensated since Aaron/Manager hurt my hand and finger. Please hold him accountable. The information Tehani Lopez (Workers Compensation) stated she was told as to what happened to me on the phone and in writing, Decision letters and Emails as well is that I hurt my hand and finger. I told her I hurt my hand and finger because Aaron hurt me. After asking me to hold, Tehani came back to the phone & stated to me that "Workers Compensation does not take care of assaults" & that I would have to "take care of this" ON MY OWN.

Please help me in this matter.

I am sending to the Court, the Final decision/Order via Library. CCPL (Chas. Co Public Library) or it may read Xerox.

Willette Wilkins
