v.

Barry Barnett

Reiterates Her Motion

To File / Perfect A

Belated Appeal

On April 27, 2026, Petitioner received her file from this Court re: attorney Sol Abrams' intention to appeal her 1976 conviction & trial in 1976. She was amazed to learn that she had been represented by two (2) paid attorneys for her appeal, Sol Abrams & E. C. Burnett, Jr., she had never been aware of Burnett's representation nor the fact that ^{he} filed a writ of habeas corpus on her behalf in 1976, that he

Pg. 2 of 2

claimed that she had a meritorious appeal,
then abandoned her case when the writ was
denied; which was unlawful, an attorney
who undertakes representation of a client
impliedly agrees to see the case through to
its determination & is not at liberty to
abandon it without reasonable cause, E.C.
Bunnett, Jr. had no reasonable cause, his
negligence, after swearing under oath that
she had a meritorious appeal was pure
negligence & was the proximate cause of
injury of Petitioners' 27 years of unlawful
imprisonment, which is another ground that
she asks that this Court consider, Sol Abrams
had reasonable cause... He died, E.C.
Bunnett Jr. did not, until 1995.
