I RESCISSION(ed) ALL CONTRACTS, SIGNATURES (WET & AFFIXED, VERBAL/ORAL), and EMAIL/FAX CONTRACTS implied and/or actual from this and all email/fax communication. I am an american. I am the agent for the entity Goodman Cynthia Jo and I reserve all my rights. I do not consent to Title 28 nor do/have I given anyone authority to represent me under Title 28.

GE! I pray all is well!

I must insist on access to the audio recording as the written transcript is incomplete, full of errors and omissions, and violates my due process rights. The written transcript is not the official record when it is flawed. Kindly provide the contact information for the supervisor who can override this policy immediately.

See attached Challenge. I have reconstructed as much as possible; many other errors remain that I did not document in my attached detailed Challenge b/c they did not alter the majority content. However, the significant number of the errors, incorrect words and omission ought to be sufficient to demonstrate dereliction of duty, as some of the transcribed words were seemingly just made up or given poor attention to detail. The transcript ought to be exact.

I look forward to the corrections per the attachment: *"Any inaccuracies will be corrected and the pages forwarded to the challenger at no cost."*

Thank you.

Respectfully,
agent cynthia

Thank you for your email.

I don't understand this statement from you: "*As far as retrieving copies of audios, audios are not provided.*"

What are you listening to in order to "*decipher*"?

I either need to hear what you heard so I can fill in the gaps for my proper preparation; have you listen to it again to fill in the missing content; or have you transfer it to a supervisor or colleague who will be able to give me a complete record. This incomplete transcription is a violation of my due process.

Fifth Amendment of The United States Constitution

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a Grand Jury, except in cases arising in the land or naval forces, or in the Militia, when in actual service in time of War or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, **nor be deprived of life, liberty, or property, without due process of law**; nor shall private property be taken for public use, without just compensation.

I look forward to hearing from you -- or another -- w/ remedy. Thank you!

Dear Ms. Goodman,

Unfortunately, with some of these audio systems it just is not as clear as if a court reporter is present. There is no correction that I nor anyone else can do to correct that. I can only put down what I can decipher.

As far as retrieving copies of audios, audios are not provided.

Also, to clarify, you had asked about a daily or next-day turn around after the original request just requested a seven-day turnaround, and that is why I replied with my workload I could not meet that deadline, but within seven days was no problem; hence, the two-day turnaround. This in no way hampered the transcript in any manner.

Sincerely,

Good Evening!

I pray all is well!

Thank you, Natalie, for your email and transcription attachment first attempt. I journeyed out of state since our last correspondence and had limited-to-no internet access, so am just receiving this for review now.

There seem to be a significant number of errors in the content and several omissions ("inaudible") in words spoken by the parties on this transcription. Because this is critical to the truth of my case being properly relayed in The Court Of Appeals, I will ask you to:

1. revisit the audio for corrections and perhaps listen more intently/repetitively to the words that you may have missed on your first pass. With all due respect, I am aware that I paid you for a 7-day turnaround -- and you stated that your workload would prohibit you from doing it any sooner. To this, I agreed (partially b/c I did not desire to rush you and partially b/c I knew I'd be out of contact for at least 7 days). Yet, you apparently returned this transcription by email in less than 2 days.

2. share w/ me the audio associated w/ this transcription; I am eager and willing to fill in the "inaudible" words and other content that I remember was spoken, but doesn't appear in the transcription (perhaps it was lost b/c there were a few instances when both I and the judge were speaking at the same time.)

Every word is critical to the true and correct data being presented. I know you know that already...and I greatly appreciate your time and efforts!

Respectfully,

agent cynthia
