This court will not dismiss anything under rule pursuant to any scacr because just check your records the contract attorney never submitted there destination of matter. And did the court dismissed or made any documentation that they didn't. And the day I received that notice on March10 2026 it stated disregard the first email. And on the same day I received documents from a jenny kitchen enclosed document from what appears to be Jim Crow from the contract attorney. But hear this my next email will go to people that may look into this matter to see why sc judicial system is so corrupt. Benjamin Moses
