Re: Richard Kenneth Weatherford, Jr., Respondent v. Timothy James Davidson, Defendant, and Progressive Direct Insurance Company, Third Party, of which Progressive Direct Insurance Company is the Appellant
Appellate Case No.: 2026-000301
Civil Action No.: 2025-CP-08-00820
Our File No.: 1115-5924

Dear Ms. Kitchings:

This letter serves as our request for a first 30-day extension to file Appellant Progressive Direct Insurance Company's Initial Brief and Designation of Matter to be Included in the Record on Appeal in the above-referenced matter, which are currently due on May 26, 2026. This is Progressive Direct Insurance Company's first request for an extension, and our understanding is this request would make the Initial Brief and Designation of Matter due by June 25, 2026.

Counsel for Appellant Progressive Direct Insurance Company seek this extension in order to adequately prepare the initial brief due to multiple other trial obligations, recent filing deadlines, and out-of-town travel obligations. The briefing for this matter was paused during the time that Respondent's motion to dismiss the appeal was pending.

Respondents' counsel consents to the requested extension.

We will submit the \$50 filing fee for this motion within five business days of this correspondence, as provided by Supreme Court Order 2021-08-25-02. We appreciate the Court's time and consideration of this request.

Counsel of record for all parties are copied on this letter.

Yours truly,

s/Jay Thompson
