Motion for reconsideration

I, Tyreek Lorenzo Robinson, do request ^{reconsideration} of my Pro se brief I filed in the South Carolina Court of Appeals. My Ground for reconsideration are,

The facts that the victim Angela Marie Norcia stated that she identified the suspect of the burglary when she was shown a surveillance video of him. She later stated she is certain that the man she identified is not in the photo line up that has my picture in it. She also pointed at someone else's picture and said "he kind of looks like the man, but I'm certain it's not him". Then she described his facial features and wrote "Not Pictured on the photo line up. And on the third day after the crime, (9-21-2020) the victim/eye witness had a composite sketch drawn of the man. ALSO I was ineffectively assisted by Council Juan Talley at my trial on June 13th, 2022, and by Breen Richard Stevens, on my direct appeal through Breen Steven's anders brief. ALSO Police obtained information out of a phone without a search warrant on 10-7-2020 at about 1435 hrs, and the illegally obtained information was used against me at my Trial.

numbers 2020GS0702061, 2020GS0702062, and 2020GS0702063.

respectfully, Tyreek Lorenzo Robinson
