Re: *Cambridge Lakes HOA, Respondent, v. Johnson Koola, Appellant*
Case No. 2010-CP-10-9305
Appellate Case No. 2013-001632

70672

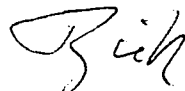

Dear Ms. Kitchings:

We represent Respondent Cambridge Lakes HOA in the above-referenced case. This is to respectfully request an extension of thirty (30) days to serve Respondent's Initial Brief and Designation of Matter. Appellants' Initial Brief was served on September 16, 2013, to which we timely filed a Motion to Dismiss. The Court of Appeals denied the Motion on December 4, 2013, and advised that Respondent's Initial Brief and Designation of Matter were due thirty (30) days from the date of their Order. Thus, it is our understanding that Respondent's filings are currently due on January 3, 2014. With the extension, Respondent's Initial Brief and Designation of Matter would now be due on February 3, 2014.

This is Respondent's first request for an extension and is requested due to time constraints imposed by scheduling conflicts. We have enclosed our check for \$25.00 to cover the filing fee for this request. Please do not hesitate to contact us if you need any additional information. Thank you for your consideration.

With highest professional regards, I am

Sincerely yours,

Eugene P. Corrigan III
