Hello Ms. Rawlinson,

As it was previously communicated due to not receiving payment by the designated date, the late fee stands and I am unable to waive it. Also, the water issues were not due to any discrepancies on our end, there was a city-wide outage, so there will not be any compensation provided.

A one-time extension through January 31, 2026 has already been given. No additional extensions will be offered/approved.

Thank you,

Amber Foster

You don't often get email from shasharawlinson08@aol.com. [Learn why this is important](#)

I was advised that my signature isn't on the renewal form and I have to resubmit it because it has that I have outstanding late fees that was supposed to be removed as a courtesy. Being that there was a water issue and I had problems can those be removed? I haven't received my paperwork to move and I still haven't found another unit to move too, would you be willing to continue without the lease until I find somewhere to stay or at least another month?

Thanks,
Shasha
