Dear Ms. Sineath:

I'm the attorney representing Zinah Jennings. Loriene forwarded me your inquiry.

We're having trouble tracking down a transcript. I have an order from Judge Cooper which mentions a hearing held in June before him, but the court reporter for that week, Daphne Helms, does not have a record of it. I've forwarded the order to the solicitor who attended the hearing and she is trying to see what she can discover about it.

I apologize for the delay and I will keep the Court informed about what I discover.

Do not hesitate to contact me if the Court needs any additional information.
